

## **IDEC MALTA 28<sup>th</sup>, 29<sup>th</sup>, 30<sup>th</sup> March 2024**

Dance school address: Dance Project Studios, Triq Martin Luther King, Pembroke PBK 1990

### **Where to stay?**

The dance school is not located in a very central area, which is why we don't advise finding accommodation nearby.

Instead, we recommend the hotels and apartments located in the following cities: San Julian, Sliema, Gzira.

### **How to move around in Malta?**

The cost of a taxi in Malta is much cheaper than in other European cities. Several companies apply discounts for the first 5 rides, therefore, it is possible to travel at very advantageous rates comparable to the cost of a public transport ticket (especially if you travel in groups).

The taxi companies work through Apps that can be downloaded to your mobile phone.

Here some names:

Ecabs

Bolt

Uber

When you need a taxi, open the app on your device and it will find your location, then you only need to enter the address where you want to go. The App will give you the total cost of the trip upfront. Using your credit cards on these apps is very safe but you can also pay in cash.

The best way to search for hotels or apartments is through the websites of [bookings.com](https://www.bookings.com) or [Airbnb](https://www.airbnb.com).
